

T S ALLOYS

HEALTH AND SAFETY POLICY

T S Alloys believes that accidents are preventable and therefore we dedicate all requisite energy and attention to protect employees, contractors and any other people involved with the company across the value chain.

To promote a strong safety culture that effectively prevents accidents we commit to:

- **Educating, training and equipping all the employees working in the company.**
- **Integrating safety into all our management system and processes.**
- **Influencing training and education of contractors, Supplier and Community.**
- **Meet or exceed all the statutory requirement of Health and Safety Laws.**
- **Abide by the Safety Principle, standard and procedure is the important consideration of employment and Supplier / Contractor Selection.**

Date : 1st June 2014

Sandeep K Tanwar
